CoDeco reinterpreta la tradizione dei tappeti antichi, dove la cornice diventa elemento simbolico e ponte tra immagine e spazio. Nei due formati, il perimetro definito accoglie un disegno centrale che “esplode” con trame geometriche ordinate. Realizzati in Lana Nuova Zelanda e Tencel, i tappeti CoDeco uniscono eleganza, equilibrio e contemporaneità.

*CoDeco reinterprets the tradition of antique rugs, where the border becomes a symbolic element and a bridge between image and space. In both formats, the defined perimeter frames a central design that “unfolds” into orderly geometric patterns. Crafted in New Zealand wool and Tencel, CoDeco rugs embody elegance, balance, and contemporary character.*
